

# SOCIAL SECURITY DEATH BENEFIT & SURVIVORS' BENEFITS

On behalf of you and your family, we will promptly send the Social Security Administration a written notification of the death.

There may be a lump-sum death benefit that you or your family could be entitled to receive. Review the following information.

## LUMP-SUM DEATH PAYMENT

A one time payment of \$255 is paid in addition to the monthly cash benefits described below. The lump-sum death payment (LSDP) is paid in the following priority order:

1. A surviving spouse who lived in the same household as the deceased person at the time of death.
2. A surviving spouse eligible for or entitled to benefits for the month of death.
3. A child or children eligible for or entitled to benefits for the month of death

## SOCIAL SECURITY BENEFITS

The following checklist is designed to help you file for your Social Security benefits correctly so that prompt payments may be made.

**ELIGIBILITY:** The deceased worker must have credit for work covered by Social Security, ranging from 1 1/2 to 10 years depending on his or her age at death.

### WHO MAY RECEIVE MONTHLY BENEFITS?

1. A widow or widower age 60 or older (50 if disabled), or at any age if caring for an entitled child who is under 16 or disabled.
2. A divorced widow or widower age 60 or older (50 if disabled) if the marriage lasted 10 years, or if caring for an entitled child who is under 16 or disabled.
3. Unmarried children up to 18 (19 if they are attending a primary or secondary school full time).
4. Children who were disabled before reaching 22, as long as they remained disabled.
5. Dependent parent or parents 62 or older.

## APPLYING FOR BENEFITS

You must apply in order to receive benefits. You may apply at any Social Security office or, if you wish, you may apply by telephone. Just dial the toll-free number 1-800-772-1213 and the operator will schedule an appointment for you or arrange for the local Social Security office to take your claim by telephone.

## SOCIAL SECURITY TELESERVICE - DOING BUSINESS BY TELEPHONE

You may call Social Security toll-free, 365 days a year, 24 hours a day. The number to use is 1 800-772-1213. To speak with a representative, call between the hours of 7:00am and 7:00pm on regular business days. At other times and on weekends and holidays, you may leave a message and they will call you back, in most cases, the next business day.

You may use the toll-free number to make an appointment either in a Social Security office or telephone to apply for benefits, transact other Social Security business, or just ask questions.
